

**FAMILY AND SOCIAL SERVICES ADMINISTRATION
INDIANA DIVISION OF AGING
NURSING FACILITY LEVEL OF CARE WAIVERS**

POLICY STATEMENT

Date of Notice Issued: September 12, 2006
Issued to: Area Agencies on Aging

Authored by: Stephen A. Smith, Director, Division of Aging

Policy Topic: Slots and Level of Care Codes for
Aged &Disabled Waiver

3500 additional slots are available for the Aged &Disabled (A&D) waiver effective September 5, 2006 through December 31, 2006. 1,000 of these slots will target people who are currently on the A&D waiting list. All clients must meet the criteria of a priority level of care code listed below.

**LEVEL OF CARE CODES TO BE USED FOR THE
AGED AND DISABLED WAIVER**

(Client currently assigned an A01, A11 or A50 Level of Care code will continue using that code)

A00	Targeted from the A&D waiting list
A10	Imminent risk of nursing facility placement as a result of being discharged from a hospital or acute care facility
A60	Transition from a nursing facility or rehabilitation center into a community placement (Minimum stay of 30 days required)
A70	Irregular transition from a nursing facility due to bed closure and de-certification transition (A70 code must be used if appropriate rather than A60)
A71	Transition from State funded services through CHOICE
A80	Loss of primary caregiver due to death or long-term incapacitation

A90	Transition from an institution to an Assisted Living facility
A91	Transition from the community to an Assisted Living facility
A92	Transition from an institution to an Adult Foster Care setting
A93	Transition from the community to an Adult Foster Care setting
A94	Transition from an institution to a Congregate Care setting
A95	Transition from the community to a Congregate Care setting

(If a client has an initial level of care code of A90, A91, A92, A93, A94 or A95 they will only be allowed to have case management and the corresponding service on their CCB/POC. If after the initial CCB/POC has been approved and the client decides that the service they choose is not appropriate for them and they want to move into a different setting, i.e. assisted living to adult foster care or into the community and receive in-home services, they must meet the criteria for one of the existing level of care codes.)

If you have any questions regarding the memo, please feel free to contact Sandy Owens at (317) 232-7017.

Thank you for your continued efforts in assisting our clients.
